4 March 2024

### 2024 Kinder – Year 6 Health and Physical Activity Schedule

The 2024 activity schedule (see over page) is published to inform families about physical activities and healthy lifestyle promotion events that are scheduled throughout the year. Reminder notices, school Facebook page, Schoolzine notifications and newsletter items will also be sent out prior to each activity. Please note venues and dates may change due to circumstances beyond our control. If this occurs, you will be notified prior to the activity.

Parents and families are welcomed and encouraged to spectate, support the school and children attending these events. Parent help is required for some events – please get in touch if you are available to help out with any of the events listed. When helping with events you will be required to sign in at the office and present a valid WWVP (Working with Vulnerable People) card and have provided a copy of your 2024 Safeguarding training certificate. Training can be completed online by following this link [Safeguarding Training - Department for Education, Children and Young People \(decyp.tas.gov.au\)](https://decyp.tas.gov.au/Safeguarding-Training-Department-for-Education-Children-and-Young-People).

Major excursion permission forms and consent for water activities were sent home at the start of 2024, along with other documents (eg validations). These must be completed and signed prior to your child taking part.

**Should you take photos at any of these events, please ensure you do not share them on social media.**

Kylie Broadbent  
Health and Physical Education Specialist
